

Ogden Preparatory Academy Enrollment & Lottery Policy

PURPOSE

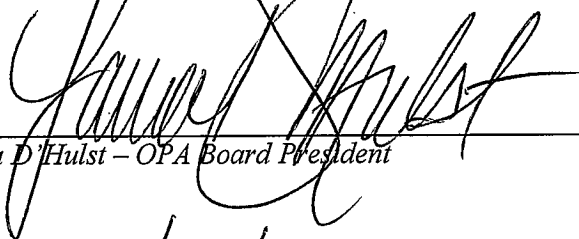

To provide guidelines on appropriate procedures on the enrollment and lottery process.

POLICY

In regards to applications, enrollment and lottery procedures, Ogden Preparatory Academy (OPA) will follow all state and federal laws.

When a child is chosen through the lottery process, parents are responsible for giving OPA any and all safe school records in order for the child to attend OPA.

Any misrepresentation or lack of information on the discipline records form, included in the registration, will result in loss of school membership until such time the child re-enters the lottery process with full disclosure.
