

Love your Library Celebration and Student Storytelling Festival

**Friday, March 26th
6:30 p.m. - 7:30 p.m.**

OPA students and families are invited to join us to celebrate and share students' submissions to last month's Love your Library contest. Winners will be read aloud and all stories will be available to read.

Also, we will be presenting our first OPA Student Storytelling Festival. Inspired by the recent Weber State University Storytelling Festival, students were nominated by their teachers and will be presenting stories for everyone's enjoyment. Come and be entertained and see if your student would be interested in being one of our storytellers next year.

Bring your pillow and blanket and be ready to share a great family night together.

Refreshments will be served. Any questions? Contact Mrs. Dosier at 627-2066.
