We would like to have 100 of some things, but would not like 100 of other things.

We can do 100 exercises. We used clues to guess what our friends brought 100 of.

#### **Class Store News**

- ✓ If you have items that you could donate to our Class store we would greatly appreciate it.
- ✓ If your children are bringing home the money they earn in class would you please send it back to school?

We recycle this money when we do class store and we are running out of money. Thank you!! 😊
