

Dear Parents/Guardians,

Our students will be taking their End of Level tests starting April 30th. Grades 3 -9 will be taking these tests online and grade 2 will take the paper-pencil version. All of us have worked hard this year and I know our students will do well.

Please help your children be successful during this testing time. Make sure they get a good night's sleep, eat a good breakfast, and get plenty of exercise after school. We will not assign homework during this testing period except for reading at least 20 minutes a day.

Congratulations to Kasper Kubica for receiving recognition for exceptional scoring on the American Math Competition Exam. He will be attending a program hosted by Governor Huntsman and the governor's Math Advisory Board on April 23rd.

Congratulations to the following students who attended the State Science Fair and achieved recognition:

Kasper Kubica – 1st Place (Chemistry) & The Utah Chemical Society Award
Courtney Sharp & Brandon Ward – Honorary Award (Social/Behavioral)
Ashlee Harms & Rachel Quimby – Excellent Award (Engineering)
Sterling Long – 3rd Place (Engineering)
Jessica Graves & Annie Taveapont - Excellent Award (Microbiology)
Violet Taylor – 3rd Place (Medical)
Colin Anderson – Excellent Award (Botany)
Ravyn Casey – Excellent Award (Botany)
Tony Scalise – Excellent Award (Earth/Space)
Marcelina Kubica – Honorary Plaque (Math/Physics)
Krista Harris – Excellent Award (Zoology)
