

April 2, 2008

Dear Parents/Guardians,

We are moving very quickly to the end of this school year. End of Level testing will start the last week of April and go until the middle of May. We had to spread this testing window over a longer period of time because we are doing online testing for science in grades 4-9. Please ask your child's teacher for further information of testing dates.

The 5th & 6th grades are having their first Stomp on Friday, April 4th, from 6:00-8:00 p.m. Parents are encouraged to come and help out. The parent in charge of the Stomp is Mrs. Kiernan. If you would like to help, please give her a call at 726-8383.

Lots of activities are going on this month. Please mark your calendars!
