

Dear Parents/Guardians,

The start of this school year has gone very smoothly. The students are learning the procedures and getting to know new teachers as well as new students to our school community.

For parents who did not make it to Back To School Night, a couple of items:

- MOPA students, grades 5-9, will have Homework Recovery. When a student does not come prepared to class with his/her homework, parents will be notified that day and the student will be required to stay after school that day to make up the work. A note is going home today asking you for the best way to make contact in the event your student has to sst

- After School Clubs are being offered:

Club	Day	Time	Grades Invited	Sponsor
