

December 6, 2006

Dear Parents/Guardians,

The year progresses as we enter a very exciting season for our students. Please mark your calendar for the Winter Program that will be presented by both schools on different nights.

- Students in K-4 will perform in the MOPA cafeteria on Thursday, December 14th from 6:30 – 8:00 p.m.
- Students in 5-8 will have a display of their research projects and give a brief performance on Wednesday, December 13th from 6:30 – 8:00 p.m.

Please check with your student for midterm grades that will go home on Friday, December 8th. All grades are posted in PowerSchool. Call and talk with the teacher if you have any questions.

The OPA Board of Directors will be meeting on Wednesday, December 13th at 4:30 p.m. in the MOPA library. You are cordially invited to sit in on one of these meetings.

Please note the new look for our website. This new website has been under construction for a long time. The new links and information sites should be helpful.

December 20th will be a minimum day of school. Dismissal for OPA will be at 12:45 p.m. and for MOPA at 12:50 p.m.

We are looking for volunteers to help with MOPA at dismissal. The task would be to monitor the students crossing the sidewalk to OPA as well as keeping an eye on the cars coming and going to make sure students are not darting in between cars. If you can help, please see either Mrs. Thornburg or Mr. Mitchell.

Please have a safe and joyful holiday and we will see your student back with us on Tuesday, January 2nd.

Sincerely,
