

January 4, 2012

Dear Parents/Guardians,

We welcome in the New Year and look forward to all the possibilities it may bring.

Thank you to the folks who are donating their time on Wednesday mornings at the Elementary and Intermediate Schools in preparing the fresh fruit handed out to the students for morning snack. We also have a very active group of parents who are delivering instruction on the Harvest of the Month. These folks come in and introduce students to specific vegetables or fruits through guided activities. A newsletter is sent out so parents can continue these activities at home. We are working on raising the awareness of lifestyle choices and their impact each individual's health.

Our 2012-13 lottery is now open. If you have other parents who are interested in placing their student in our school, please have them go to the website and fill out the Enrollment form. Mrs. Painter will start drawing names from the lottery on Monday, January 9th.
