

Dear Parents/Guardians,

Thank you to all who participated in the Fun Run. We will be doing a fun run yearly, so plan on participating next year. Everyone had a wonderful time!

Elementary parents - please look for a letter from the school. You will be voting on how you want dismissal conducted. Each family will get one vote. All votes must be turned in by this Friday, November 4th. The decision will be announced on Monday and implemented by Tuesday, if there is a change.

We are again collecting a lot of coats in the lost and found. The weather is changing, so I hope this pattern will turn around. In the meantime, please make sure your child has his/her coat with them when you pick them up after school. At mid-term and at the end of the quarter, I take the Lost and Found articles to Your Community Connection.

Each school will have an Angel Tree in the lobby. On the tree will be tags with needs for students whose parents are facing difficult times. At this time we have around 70 children just at the elementary that could use an "Angel" in their lives. Come in and take a tag. Please be as generous as you possibly can.

One of our elementary moms is going to meet monthly with each grade level and teach them about nutrition and healthy food choices. Anna Cash is the mom who is planning to work with the students and introduce them to better food choices. If you would like to be a part of her information team, please call the elementary school (801-334-4255) and leave your name and number.

November

- 10 Color Guard presentation, 1:30 p.m. Demonstration of folding the flag in the cafeteria and then raising the flag and singing the National Anthem outside @ Elementary

- 22 Minimum Day – dismissal @ 12:45 p.m.
- 23-25 Thanksgiving Break
- 30 Numeracy Night, Grades K-6, 6:00 – 7:00 p.m. @ Elementary

As I monitor our students proficiency scores based on pre- and post-test benchmarks in language arts, math and science, I am pleased to see the gains students have made over the first quarter. Continue to read with your student or have them read for a minimum of twenty minutes every day. Check planners and visit PowerSchool to see grades and assignments. If you do not have your login and/or password, call the school and we will give it to you. Monitor what your child is doing in school.

Thank you for your continued support,
Kathy Thornburg
