

Dear Parents/Guardians,

Spirit Shirts can be ordered and pre-paid until November 6th. The first shirt is \$10, two shirts are \$17.50, and three shirts are \$25.00. The order forms can be found in the office. The students wear this on Fridays in show of support for the school. It's fun and an easy way to "dress" down for the day.

We are in the process of conducting our Northwest Accreditation surveys for this school year. One hundred families were randomly selected and the parent survey was sent to them. Thank you to those families who have sent their survey back in to school. If you have not sent your survey back, please do. Your student can give it to one of the secretaries. I have looked through the ones we have received and noticed that most families are not using Power School to access their child's grades. This online tool is great for learning how well your student is performing and if they are turning in their work. Please use it. If you need to find out your student's login or password, just call and talk with one of the secretaries.

One of our cherished teachers, Ms. Clisante, is facing a serious health issue. Ms. Clisante is asking for privacy in regards to her health issue. She will have to be out for an extended period of time. Please know she wants only the best for her students, so the task of finding a teacher to take her place is daunting at best. I will keep you posted as developments unfold.

Thank you for your continued support and have a safe and happy holiday.

Kathy Thornburg
